ore quiet feeling, and, under the certainty that there, be no immediate tomble, business began to assume nore settled and hopeful tone. While considerable lety was still expressed by many, towards the close market had returned to nearly its former status, leading banks skill supplied their customers ay with New York exchange at ½ per coal prena. Outsiders generally had to pay ½ above, ing. probably, to the threatening character of the gan news, or a greater stringency, and perhaps to both so. The boying price was par to an ½. The higher was goverally only conceded to best customers, was more active. Some of the larger banks sold to omers at ½, but ½ a ½ were the ruing ignres. For iparcels one per cent was charged. Though the ded was much more active, the supply was still abount-Probably the West never lat so large a supply of as it has now. The foreign news created a good deal xiety in relation to taineds money. If we are to have lew with England it is plain that the more Cainda by we have on hand the worse we are ed. The feel and to extend, so far as we know, to the issues of the tof Montreal; but everybody was actious to get ride bills of the miscellaneous i anada banks.

of Montreal but every bedy was anxious to get rid e bills of the miscellaneous 'anada banks.
